

DIRECTIONS (for directions via Google Maps, click on the above map)

This 40-acre camp is 15 miles northeast of Santa Barbara and 15 miles southwest of Solvang approximately five miles from Cachuma Lake Recreation Area. From the 101 take the 154 towards the mountains. Follow it over the hill and back down into the valley. You will be almost to the bottom of the grade when you will turn right. It is easy to miss the entrance and have to circle around. As soon as you see the greens for Rancho San Marcos Golf Course to your right, slow down. The camp shares its entrance off Highway 154 with Rancho San Marcos Golf Course. Take a left once you've passed through that entryway.
