Summer Sports Fall 2010

Hi Everyone,

BCSC had a busy summer this year. There was softball, softball playoffs, volleyball, tennis and golf. Our club softball team went all the way this year, finishing 6-1-1, for a first place finish in the Manhattan Beach Adult League.

Awards were presented at our September barbeque to all the players on the team and one to the Sloane Family and the Costa Family. An honorable mention was given to Valli Lee for taking "one for the team". She fouled a ball right into her glasses thus causing a nice gash right above her eye. (Some of you might remember last year's award went to Phil Sanchez, who fell on home plate with a run and broke his shoulder in the process.)

The LAC Volleyball League finished September 19th at Dockweiler. During the playoffs, BCSC provided all players with lunch. For BCSC, the Intermediate Playoffs were the most interesting. Don Abbe's team came in with the best record, only to be knocked out by Stu's team twice. John's team, which had

beat Stu's team in regular play, also beat them in the finals to take home the trophy this year. The other Division winners were: Terrie Murphy's "Girls on Top" from the Upper Advanced Division, Pat O'Tool/Marilyn Stein's, Sports R Us, won the Lower Advanced Division. Cliff Bonner's Balboa team won the Lower Intermediate Division.

The BCSC Volleyball Awards will be given out on November 12 at 705 Pier Ave., Hermosa Beach. They open at 6pm and awards will be given out around 8pm. The club will supply appetizers and have the Fall elections. I would love to find someone to take over the Summer Sports board position. I'll help you.

Fred Wylds continues to organize golf outings on the last Sunday of the month at the Marriott in Manhattan Beach. This month sported some awesome costumes. For information, contact Fred at fredwylds@yahoo.com.

And finally, our Shellback Thank You Party took place on Wednesday, October 27th. Nice turn out.

The Prez

Hi fellow club members,

The first thing I'd like to do is thank all those who helped make two of the club's signature events such a success in recent weeks. We had at least 275 players at the War of the Roses volleyball tournament, which is excellent in the middle of a recession. Perhaps we should take over the AVP. Maybe not.

Clambake was a great success with everything from grape stomping to live music and of course, excellent food. Maybe if we invite Michelin to next year's Clambake, we can get Live Oak to be the first campground in their good food guide. The

food was certainly good enough, thanks to Bruce and his helpers.

The week long trip to Vail is selling fast, so if you want to be sure of a great ski trip. make sure you sign up soon. There are only a limited number of places, so don't leave

it too long.

Finally, it's election time again. We are always looking for new faces on the board and honestly, it's not a lot of work. Fresh ideas for events, etc. are always welcome, and being on the board is the best way to make them happen. The elections will be at the Pray for Snow party on Nov 12th so at least come along to vote, and OK, there'll also be some free food! See you there, Nick

Race Camp: Hello everyone. We hope you have had a great summer! It's the first day of Fall, so it must be time to think about skiing. Attached is the flyer for Rokka's 2010 Ski, Board and Race Camp. You will note a few differences this year because times have changed and so we had to follow.

First, the price has increased. This is due to the fact that the lessons have increased. Also, for the past couple of years, Rokka has lost a bit on camp. So, in order for us to come out about even, we had to make the price adjustment. Second, we will be having the Sunday and Friday festivities in town this year. The mountain has increased their food and beverage prices so in order to keep our cost down, we decided to move things down to town. It should be more convenient for everyone as well.

Third, we did not negotiate discounted lodging at the Mammoth Mountain Inn this year since so few people stay at the Inn. If anyone needs suggestions for lodging, we will be more than happy to help them out.

Here is the schedule for the 2010-2011 season.

WARREN MILLER'S WINTERVENTION THURS., DEC. 2, 2010 – Film at 7:30 REDONDO BEACH UNION HIGH SCHOOL 1 Seahawk Way, Redondo Beach

Warren Miller Inc. Press Release – August 26, 2010: Do you have a skiing or snowboarding problem? Do you always have to take "just one more" run? Do you sneak around your partner to get your powder fix? Will you go to the ends of the earth in search of snow? If you have answered "yes" to any of these questions, it may be time for a Wintervention.

Narrated by skiing icon Jonny Moseley, Warren Miller Entertainment's 61st film – Warren Miller's Wintervention – features acute cases of classic snow-diction from across the globe. There are the skiers who sail from Argentina to Antarctica searching for some of the last untouched descents on Earth. There are the skiers and riders who venture deep into the Caucasus Mountains of Georgia, chasing rumors they overheard in a language they don't speak and there are the skiers who tour far into the northern reaches of the Arctic Circle where they won't just climb peaks, they'll get their powder fix at the top of the planet. Featuring everything from terrain parks and lift-accessed fresh to the most exotic settings imaginable, Wintervention is the definitive solution for the snow-obsessed.

Wintervention highlights the most trusted names in ripping – boards-certified riders like Chris Davenport, JJ Thomas, Lindsey Vonn and Hugo Harrison – and top young talent in the field – innovators like Andy Mahre, Jossi Wells and Zach Black.

"Our addictions to snow-covered hills and the experiences we have there are actually good for us—in moderation," explains Max Bervy, director and executive producer. "In a world where the chaotic pace seems to increase daily, it's the skiers and the snowboarders who actually have it right, guaranteeing they're never far from clean mountain air, deep powder and the good life lived in the mountains."

Warren Miller's Wintervention will sweep the nation as a limited, high-definition release, stopping in more than 240 U.S. cities, including major markets like Seattle, Chicago and Los Angeles. With screenings often running for one night only, Warren Miller films attract a cult-like following and mark the official start of winter for sports enthusiasts everywhere. Warren Miller premieres are an experience, a party and a phenomenon not to be missed. Check out warrenmiller.com for tour information, videos, photos and more!
