

Beach Cities Ski Club Clambake FAQ's

Where is Live Oak Camp?

Live Oak Camp is located northwest of Santa Barbara, California on State Route 154, south of Lake Cachuma
Directions from Los Angeles:

- Address: 4600 Highway 154, Santa Barbara, CA 93105.
- Take US-101 N to Calle Real in Santa Barbara
- Take Exit 101B from US-101 N
- Follow CA-154 W/San Marcos Pass Rd for approx 13 miles.
- Live Oak camp turnoff is 1.8 miles north of Paradise Road
- Small brown/white Live Oak Camp state highway signs placed 1000 feet before the turnoff in each direction
- Live Oak camp and Rancho San Marcos golf course share the same entrance
- Make a left at the entrance to drive towards Live Oak camp

What meals are provided?

Friday Dinner - Santa Maria Tri-tip dinner (chicken is available only for those that don't eat beef)

Saturday Breakfast

Saturday Dinner - Seafood Feast, 8 people to a table please

Sunday Breakfast and mimosas

Meals are served buffet style, except for Saturday night seafood dinner where salad/bread is buffet style and seafood trays are served to each table of 8 people. Please **consolidate tables on Saturday to 8 people**, we will not serve partial tables.

Many people bring their own vinyl table cloths and "claim" a table for the weekend, if you do so please be considerate and share your space with others if need be. We need 8 people to a table. Please don't leave a lot of décor or knick-knacks on the table, afternoon winds do kick up and things get blown away. Plastic is best instead of glassware. There can be a lot of dust generated at the campground.

What is the campground like?

Live Oak Camp is a large 40 acre open site, with many oak trees. Pitch your tent wherever you like. In 2014 a new bathroom facility was built; men's and women's shower, toilets, sinks, mirror. There are **no** RV hookups, and very few concrete pads.

Please be courteous to your camping neighbors, if you know you like the peace and quiet then select a campsite away from the crowds. Likewise if you know you will be staying up late chatting and partying, stay with your partying group. The campground is 40 acres and there is plenty of room for all.

Are there RV Hook Ups? What can I expect?

There are a couple of large concrete slabs and limited electrical outlets. Do not plan on running your air conditioner or other power hungry electrical devices, it will trip the circuit breaker. You should be prepared to park your RV/camper and be totally self-sufficient with no connections for water, sewer or electricity. The Cachuma Lake Recreation Area has full RV hook ups, yurt rentals and is approximately 3 miles north of Live Oak Camp.

What activities can I expect?

- **Friday** - Golf at a local course, tee time 11am, pay at the course
- **Friday Night** - Live Music by “California Mystery Duo” (Steve & Andrea)
- **Saturday** – Wine tasting on your own schedule
- **Saturday Night** - Live Music by “Three Car Garage”

Please bring your own snacks, water, and wine
